<b>The Product</b>	VerdTech makes and sells PC accessories made from recycled and renewable materials.
<b>The Leadership</b>	Leslie Boatwright founded the company after years in the tech industry. She serves as Founder and CEO.
<b>The Overall Industry</b>	Five major players dominate the PC accessories market. However, VerdTech aims to offer consumers a greener alternative.
<b>The Competitors</b>	Major competitors include Weisenham Tech Solutions, Lamplight Mobile Systems, and Tektias. VerdTech will differentiate its products from theirs by using recycled and renewable materials.
<b>The Financial Status</b>	VerdTech wants to raise \$7 million to scale its operations. So far, the company has raised 75% of its target. Financial resources will be focused on developing a collection and recycling program.
<b>Future Plans</b>	By 2026, the company plans to implement its collection and recycling program in three cities. By 2040, it expects to manufacture ethical and sustainable electronics for leading brands.

# Industry Background

Give a brief explanation for the page

## The PC Accessories Market

In this section, write about the broader industry your business is in. Specify what industry it is - where it is, how big it is, what its general characteristics are, and what the usual products and services are available. What is the industry's history and what are its usual trends? Do you see new patterns developing? Give a prediction or outlook about where the industry is headed.

### Lack of sustainable brands

Even though five major players dominate the PC accessories market, VerdTech aims to provide consumers with a greener alternative.

## Sustainability Matters

In this section, specify who your competitors are and how prominent they are in the industry. Explain what products they have and what services they offer. Note their strengths and weaknesses. Show an analysis of their strategies for sales, branding, and marketing.

# Market Analysis

Give a brief explanation for the page

## Green and Ethical Consumer

In this section, detail the specific market you are targeting. If it is a sizeable market, you may group your target audience into categories. You can also take into account the geography of your target market - if the business is an online endeavor or if it has physical locations. Besides geography, consider the audience's gender, race, educational level, and other demographic data.
