

D

Research And The Pharmaceutical Industry Presentation – Semester 1

Guidelines & Marking Scheme

(9 minutes, 3 minutes per student)

- You will be in groups of three and will present weekly, except Weeks 1 and 2. Week 3 will feature two presentations.
 - All presentations **must be supported by visual aids**.
 - To engage your audience, employ a **compelling introduction, strong conclusion and effective impact techniques**. Make **effective use of eye contact and body language**, as well as **voice intonation**.
 - Go to pages 4 & 5 in your booklet for more details on your topics.
 - The presentation content should be equally divided between the three of you. **Don't forget to start with a catchy introduction and to finish with a strong conclusion.**
- **Student 1:** catchy introduction + part(s) of the presentation
 - **Student 2:** parts of the presentation
 - **Student 3:** part(s) of the presentation + strong conclusion
