

Instructions for the M1 internship report

- 1) Front page and last page of the report: **see the model**
- 2) Number of pages: **15** including the text, figures and table. The references list only is not included in this number.
- 3) Font size: 12
- 4) Line spacing: 1.5
- 5) The report (pdf) **and poster** must be sent to m1-d2hp.gs-heads@universite-paris-saclay.fr on Monday 30 June 2025, at 13:00, at the latest.

The report must be organized in the following way:

1. General Introduction (1/2 page) introducing the laboratory and the objective of the internship.
2. Introduction: based on your literature search, describe the context and the previous works which explain the objective of your project and the approach that you have used to obtain your results
3. Material and Methods: **briefly** explain the principles and the protocols of the methods you used
4. Results and Discussion: there must be a discussion of the results.
5. Conclusion. You may propose additional experiments that could be done by the next researchers working on the project.
6. References
7. NO appendix

Poster presentations of internship's results

At the symposium (3-4 July 2025): Flash poster presentation (3 min) **+ 5-min questions.**

Oral presentations of internship's results

On Monday 7 July 2025: internship evaluation: 10-min presentation and 5-min questions

If you are chosen to participate in the European week, you will make your presentation on the days of the symposium.

For students doing an internship abroad or in provinces, the presentation can be organized remotely (contact us).

In the next pages you will find the models for the front cover and the last page of your report, and the assessment form that your internship supervisor must fill and send us.
